# Introduction

## Your policy and schedule

Here is your new HomeChoice policy and schedule containing full details of the insurance we are providing. The schedule sets out details of the cover you have chosen.

Please read this policy and schedule carefully to make sure that you have the cover you need.

**You have the right to cancel your policy in the 14 days after the start of the policy or the day on which you receive your policy documents, whichever is later. You need to let us know, quoting your policy number, so we can cancel the policy. As long as you haven't made any claims, we will work out the premium for the period we have been insuring you and refund the balance.**

## HomeChoice policy

This policy is a contract of insurance between you and us.

You should read this policy, the information you have provided and the schedule together. These documents form the contract of insurance between you and us.

In return for your premium, we will provide the cover shown in the schedule during the period of insurance.

We will settle claims by either repairing, replacing or reinstating property or by making a payment or stage payments.

Under this policy stage payments can be made where a portion of the claim payment will be retained by us until the works are completed.

When these works have been completed and supporting invoices and receipts or any additional evidence we may reasonably request have been provided to us to confirm the total cost incurred, the full agreed sum will be paid.

The Third EU Non-Life Directive states that we must give you the following information.

## The law which applies to this contract

Under the relevant European and Irish law, the insurer and the customer may choose the law which applies to the contract. We propose that Irish law will apply. This insurance is provided by Aviva Insurance Limited.

## Complaints procedure

We aim to give excellent service to all our customers; however, we recognise that things may occasionally go wrong. - mechanical shutters or automatic garage doors.

#### **Cover provided**

We cover the cost of the call-out, labour and materials which are needed to carry out the repair (up to €250 for each incident or €260 in the case of 5 above). If repairs cost more than these amounts, you are responsible for paying any difference. If the damage is covered by your policy and you make a claim, we will refund any money you have paid out (less your policy excess).

#### **B Follow-up services**

When we have carried out an emergency repair, we will also provide the following benefits to you.

- 1 Accommodation – If you cannot live in your home, we will provide overnight accommodation which we choose for up to four people. We will also provide transport from your home to and from the accommodation
- 2 Furniture storage – If you cannot live in your home, and you need to remove household furniture for security reasons, we will provide seven days' storage for your furniture and transport to and from the storage facility up to 50 kilometres from your home

- 3 Urgent messages – When you have an emergency in your home, we will pass an urgent message to a family member at home or abroad

- 5 Hotline service – If you call the number and it is not an emergency, we will provide a hotline for all of the services listed above. Simply call the Freephone number and ask for the hotline service and a member of our network of tradesmen will contact you to discuss the problem and provide a competitive quotation for the work involved.

### **Conditions which apply to A and B**

(See also the general policy conditions on page 22.)

- a We will not pay any benefits unless you contact the emergency number and we authorise help

# Section 5 – No-claim discount

We will reduce the premium you pay when you renew according to the following scale if we do not pay a claim under your policy during the period of Insurance.

<b>Number of years claim-free</b>	<b>No-claim discount</b>
Nil	0%
One	15%
Two	18%
Three	25%
Four	35%
Five	40%
More than five	40%

If we pay for a claim during any period of insurance, we will reduce your no-claim discount to 0% at your following renewal.

Any payment we make for jury service claims will not affect your no-claim discount.

You cannot transfer your no-claim discount to another person.

## General policy conditions - all sections

### Keeping to policy terms

- 1 We will only make a payment under this policy if you keep to the following conditions.
  - a The answers in any proposal and declaration for this insurance must be true and complete as far as you know and the proposal and declaration form the basis of this contract
  - b You or any person on whose behalf you are making a claim must keep to the terms and conditions of the policy
  - c You must tell us all facts or material changes affecting the risk since inception of the policy or last renewal date (whichever is the later). If you do not do so, your insurance cover may not protect you in the event of a claim, the policy may be cancelled and you may encounter difficulty purchasing insurance elsewhere. You should also be aware that failure to have property insurance in place could lead to a breach of the terms and conditions attaching to any loan secured on that property
  - d You must take all reasonable steps to prevent any accident, injury, illness, disease, loss or damage, and keep your home (and your caravan, if covered) in good repair.

### Claims – (24-hour Property Claims Service – 1890 666 888)

- 2 You must:
  - immediately let us know about any event which may give rise to a claim under the policy;

- not admit, deny, negotiate, or settle a claim without our written permission;
- let the police know immediately if property is lost, stolen, maliciously damaged or vandalised;
- within 30 days of any event, provide all details, documents, proof of ownership and value, information and help which we may need;
- let us know immediately about any claims made against you or, if legal steps or procedures are involved, send us all communications you have received; and
- immediately allow us to inspect any damage to property which you may claim for under this policy.

We may:

- enter any building where loss or damage has happened and deal with the salvage, but you may not leave property with us for us to deal with;
- take over, and carry out in your name, the defence or settlement of any claim; or
- take legal proceedings in your name against other people to recover any payment we have made under this policy. We will pay any costs involved and keep any benefit.

### Other insurances

- 3 If at the time of a claim another policy covers any item or event insured under this policy, we will only pay our proportionate share of the claim regardless of any exclusions which apply under the other policy.

### **Fraud**

- 4 If any claim under this policy is in any way fraudulent, or if you or anyone acting for you use any fraudulent means (including exaggerating the claim, or sending us forged or falsified documents), you will lose all benefit under the policy.

### **Arbitration**

- 5 Any dispute between you and us (about our liability over a claim or the amount to be paid), must be referred (within 12 months of the dispute arising) to an arbitrator appointed jointly by you and us. If you and we cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. If you do not refer such a dispute to arbitration within 12 months, we will treat the claim as abandoned.

### **Cancelling the policy**

- 6 You may cancel the policy at any time by giving us written notice. We may cancel the policy (or any section) by giving you 14 days' notice by registered post to your last known address.

### **Matching items**

- 7 We will not pay for the cost of replacing any undamaged items forming part of a set, collection, suite or larger item. In the case of floor coverings, we will only pay for the cost of replacing the damaged part or, if a match is not possible, the floor covering in the room where the damage happened.

### **Automatic benefit**

- 8 If we amend or replace any policy wordings, conditions, exclusions, or endorsements during the period of insurance which improve, broaden or extend the cover without needing to pay an extra premium, you will automatically benefit from these improvements.

### **Joint policyholders**

- 9 When there is more than one person named as the insured on the policy and we receive instructions from one of those named insured people, we will treat it as though each insured person has given us the instructions and that all insured persons agree and consent to those instructions being given to us. We will accept the instructions received on face value. It is not our responsibility to check whether the person who so instructs us has the permission and consent of the other persons insured.

### HW1

**Permanent home used as an office or for business or professional purposes (not including public liability risk)**

If you use certain parts of the buildings as an office or for business or professional use, we will not be liable for any property (other than household goods) you use in connection with the office, business or profession.

### HW2A

**Security – locks**

We will not cover any loss or damage as a result of theft or attempted theft when there is no person at home, unless:

- a all outside/external doors of your private house or apartment are locked using manufacturer-approved minimum three-lever deadlock devices;
- b all outside/external sliding doors are locked using key-operated patio door locks;
- c all windows are closed and fastened;

We will not cover loss or damage as a result of theft or attempted theft, unless the intruder alarm system:

- a meets EN50131 or IS199 standard;
- b is installed by an intruder alarm company approved by the NSAI (National Standards Authority of Ireland), EQA Ireland, Management Systems Certification Ltd., SSAIB or CerticCS;
- c the installer holds a PSA (Private Security Authority) licence and
- d the alarm is set and working when there is no person at home.

In the event that the alarm system is not in operation during a theft or attempted theft, the excess applying to the policy is doubled for that claim.

### HW4

**Short-term buildings unoccupancy**

You have told us that your home was not lived in when you took out your policy. The cover operates on condition that you live in the property within 30 days from the start date. You must get our permission if you want to extend this period, otherwise all cover ends.

### HW5

If you use certain parts of the buildings as an office or for business or professional use, we will not be liable for any property (other than household goods) you use in connection with the office, business or profession.

## Endorsements (continued)

- 10 Glass, china, porcelain, earthenware, stoneware, pictures, works of art, or other articles of a brittle nature while being handled or used
- 11 Accidental or deliberate erasure, destruction, distortion or corruption of data or programs

- 12 Loss or damage we specifically exclude or provide for under any other section of this policy.

### HW12

#### Inflation protection

As you have given us a professional valuation of your home, and stated in writing the declared value of the property, we will extend our liability for any one claim under events 1 to 14 to 120% of the declared value when we assess the reinstatement value if you claim. We will not increase the contents sum insured in the same way.

(The declared value is the cost you assess the property to be at the beginning of the period of insurance (ignoring inflation which may apply after this date). You must allow for professional fees and the costs of removing rubble.)

We will ask you to check the declared value whenever you renew the policy. If you do not change the value, we will use the sum insured at renewal as the declared value for the next period of insurance.

### HW13

#### Guesthouses

##### A Loss of income

- 1 We will pay for the loss of income as a result of your business (as described in the schedule) being interrupted or interfered with because of:
  - a loss or damage to your buildings or contents as a result of any risk covered under the buildings or contents sections of your policy;

## Endorsements (continued)

- b destruction or damage to any property next to your home by any risk we cover under the buildings or contents section of your policy which prevents you from using your home (no matter whether your home was damaged at the same time);
  - c you having to cancel, or not accept bookings for accommodation as a result of murder, suicide, food poisoning, vermin, pests, or the outbreak of any infectious disease (which must be notified to the Department of Health and Children) in your home (or within a 40-kilometre radius).
- 2 We will pay any extra expenses you pay or agree to pay with our written permission, as a result of the damage, to keep your business going during the period of insurance. However, we will not pay more than the potential income you could lose.
- 3 We will cover professional accountants' fees you reasonably have to pay for getting together any details we need to support your claim.

The most we will pay is the difference between the actual amount you earned during the period of insurance and the income you estimate you would have earned during that period had events a, b, or c not happened. The most we will pay under this section is €13,000.

We will not pay if the business is wound up, carried on by a receiver or liquidator, or permanently discontinued.

### **B Your legal liabilities as occupier, not owner**

We have changed the exclusion relating to 'any profession or business' to read as follows.

'Any profession or business other than the owner of a guesthouse, but not including liability arising out of you breaking your professional duty or service deliberately or not'.

The exclusion relating to 'motor vehicles' does not apply to your legal liability for loss or damage to guests' motor vehicles (including their contents) while within the parking area you have provided. We will pay up to €19,500 for each vehicle, or €65,000 in total in the period of insurance.

### **C Accidental damage**

We will pay for accidental damage caused by something external to radios, televisions, video and hi-fi equipment, and home computers while in your home.

We will not pay for loss or damage caused deliberately by anybody legally on the premises, electrical or mechanical breakdown, accidentally or deliberately deleting, destroying, distorting, or corrupting data or programs, wear, tear, loss in value, repair, maintenance or anything which happens gradually.

The most we will pay is 10% of the sum insured on contents or €1,300, whichever is less.

## Endorsements (continued)

### D Money

We will pay for loss, destruction or damage to money belonging to you or for which you are responsible while in your home, or being transported to or from your bank, in your personal custody or that of an authorised person. The most we will pay is €650 for any one incident, reduced to €130 for money in your home, but not in a safe, between 11.30pm and 7.30am.

We will pay for loss or damage to money from safes, and any case, bag or money belt used for carrying money, following theft or attempted theft.

We will not pay for loss, destruction or damage due to:

- fraud or dishonesty by any person;
- shortages due to mistakes, neglect or currency losing value;
- using vending or gaming machines;
- theft from unattended vehicles or rooms, or from any safe where entry has been gained by unauthorised use of the key or combination; or
- any authority legally taking and keeping any money.

### Bankruptcy

You must tell us immediately if you are declared bankrupt.

We define **income** as money paid or due to be paid to you for providing accommodation or other expenses you pay or agree to in the course of your business as the owner of a guesthouse, in your home.

We will not otherwise be liable for any property (other than household goods) you use in connection with your business as the owner of a guesthouse.

### HW15

#### **Buildings which are being built (restricted policy cover applies)**

If you use certain parts of the buildings as an office or for business or professional use, we will not be liable for any property other than household goods you use in connection with the office, business or profession, and 'business equipment' defined below. We will pay up to €2,600, and the single-item limit is €1,300.

We have amended the exclusion of 'any profession or business' under event 26 to read 'any profession or business other than as noted in the schedule, but not liability arising out of breaking your professional duty or service whether deliberately or not.

## Endorsements (continued)

We have defined business equipment as computers and equipment, printers, photocopiers, typewriters, communication equipment, desktop publishing units, and general office furniture, but not equipment you have otherwise insured.

### HW20

#### **Average clause – contents**

If, at the time of any partial loss or damage, your contents are worth more than the declared sum insured, we will reduce the amount we will pay in proportion.

### HW21

#### **Voluntary increased excess**

We will give you a discount off your premium because you have increased your buildings and contents excess as shown in your policy schedule.

### HW23

#### **Cover for contents only**

There is no cover for your buildings under this policy.

### HW504

#### **Outbuildings – commercial use**

This policy does not insure loss of or damage to any outbuilding (including greenhouses) used for commercial purposes.

### HW510A

# Keeping your home safe and secure

## Security

- All outside doors should be protected by at least one three-lever mortise deadlock
- If you have a patio door, fit locks to the top and bottom of the door to prevent it from being lifted off its tracks
- All windows, including skylights (which a burglar could reach by climbing a ladder, drainpipe or by climbing onto a flat roof), should be closed and fastened
- Install security lighting at the front, back and side of the house to scare off burglars. Security lights can be activated when they detect movement or when it gets dark outside
- Ideally your alarm system should include devices (such as sensors and switches) fitted on doors, windows and areas such as hallways and landings. Your alarm must be installed by an intruder alarm company approved by the NSAI (National Standards Authority of Ireland), EQA Ireland, Management Systems Certification Ltd., SSAIB or CerticCS. The installer should hold a PSA (Private Security Authority) licence
- Ideally you should have your alarm monitored. A monitoring station provides cover 24 hours a day, 7 days a week. Give someone you trust and who can respond quickly to an alarm signal, a key to your home and give the monitoring station their contact details
- Don't keep your house keys or car keys in the hallway or on the hallway table. It might be easy for a burglar to steal them by reaching through the letterbox or breaking the glass in the front door
- Fit a spyhole, door chain or limiter (which helps to stop the door being forced open from the outside) to your front door so you can check a stranger's identity before you decide whether to let them in
- Always lock your doors and outbuildings, and close and fasten your windows if you're leaving your house
- Use a timer or ask a friend or relative, to turn lights on or off at certain times if you are away from home
- Do not make it obvious that you are away – have your mail held by An Post's Mail Minder service
- Lock away any garden tools or ladders so that a burglar cannot use them to break into your house. Use a heavy-duty padlock to lock your garden shed.

## Safety

- Please 'think safety' in your home – accidents will happen and can happen to you
- Fires in the home can start in so many ways and spread very quickly
- Consider installing approved smoke detectors
- Take particular care with portable heaters, fuels and with open fires – and make sure you guard all open fires before the family go to bed
- Never smoke in bed and take care with cigarette ends and use ashtrays
- Have chimneys which you use regularly swept at least twice a year
- Watch electrical equipment for wear and tear and look out for frayed or damaged flexes. Unplug all electrical appliances last thing at night
- Check your wiring at least every 10 years. Gas appliances and flues need regular servicing
- Take care in the kitchen – cooking has obvious fire hazards and there is also the risk of burns and scalds. Use sharp knives and blades carefully – even a can opener can cause an injury
- Keep a suitable fire extinguisher in working order. You should always keep a dry-powder extinguisher and fire blanket in the kitchen, where chip-pan fires can be a constant danger. Familiarise yourself with how all fire-extinguishing appliances work in your home
- Avoid using chip-pans. Deep-fat fryers are much safer
- Children are involved all too often in domestic accidents. Make your home safer for them and for elderly people
- Don't try to 'do it yourself' unless you know exactly what you are doing.

*For our joint protection, we may record and  
monitor phone calls.*
