Understanding your policy

We have designed our policy to help you to understand the cover provided. You will find these headings on many of the pages.

What is covered

These sections are printed in black on a white background and give detailed information on the insurance provided.

What is not covered

These sections are printed in a red colour on a pale-red background and draw your attention to what is not covered by your policy.

Here to help

How we settle claims

You must tell us if the buildings and contents sums insured are not high enough. If not, you may find that you do not have enough cover and we will not pay the full value of your claim.

We will decide how to settle your claim. We will normally arrange for one of our suppliers to repair, reinstate or replace the lost or damaged property. In some instances, we may decide to pay a cash amount for the loss or damage. We will not pay more than our suppliers would have charged. We will deduct the appropriate excess from all claims payments we make.

Claims retention

Where we agree to pay your claim and the settlement amount is in excess of €2,000 we reserve the right to withhold up to a maximum of 25% of the final payment until the re-instatement works are completed and validated through the submission of a final invoice and (where necessary) a final inspection of the works is completed by AXA.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement we undertake to write to remind you of the unclaimed retention and AXA's requirements to release this payment. If we do not hear back from you within 10 working days we will issue a final reminder to you. Where we do not receive a response to our final reminder within 10 working days, AXA will close the claim file.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for the other undamaged pieces. However, we will pay for replacing undamaged parts of a bathroom suite if we cannot find replacements to the damaged parts.

Will we take off an amount for wear and tear?

Buildings

If we carry out a repair or reinstatement, we will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the building and you have kept the building in good condition.

The full reinstatement value is not necessarily the value you would get if you sold the property (market value).

Contents

We will take off an amount for:

- clothes, furs, household linen;
- TV sets, DVD players, camcorders, videos, record players, compact disc players, ipods, video recorders, home computers, lap top computers, game consoles and similar equipment including CDs, tapes, records and software over one year old; or
- carpets over five years old.

We will not take off an amount for wear and tear for all your other contents as long as the sum insured represents their full value as new at the time of loss and you have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, we will not pay more than our share. This does not apply to subsection 20 of section B (Contents) or section I (Personal accident).

No-claims discount

Before you make a small claim, remember you could lose your no-claims discount. Please call us if you have any questions.

Here to help

For the purpose of working out the no-claims discount, a period of insurance is one continuous year between the beginning of the policy and the renewal date shown in your schedule or between consecutive renewal dates.

If you have consecutive periods of insurance with us without any incident which may give rise to a claim, we will reduce your premium when you renew the policy in line with our discount scale that applies at the renewal date. We will give you details if you need them.

If during a period of insurance incidents happen giving rise to claims under the policy, we will reduce the no-claims discount to 0%.

If we agree to transfer the interest of the policy to someone else, we will not transfer any no-claims discount earned.

Inflation protection

Buildings

To help protect you against inflation, we will adjust the sum insured under the buildings section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy we will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Contents and personal possessions

To help protect you against inflation, we will amend the sum insured under the contents section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy, we will increase the sum insured in line with that index.

*Consumer Price Index.

Here to help

The following applies to buildings, contents and personal possessions.

- If an index falls, we will keep the sums insured and monetary limits at the same level.
- We do not charge for this inflation protection at the time of the monthly increase but when you next renew your policy we will adjust your sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after we carry out a repair or replacement for loss or damage to the building, we will continue to protect the sum insured against inflation as long as:
 - a you take reasonable steps to make sure that the repair or replacement is carried out immediately; and
 - b the sum insured at the time of the loss or damage represents the full value.

Although you have the benefits of inflation protection, you should not rely on this alone to keep the building sum insured at the correct level. The replacement cost of your building or contents may be growing faster than inflation – perhaps because of a new extension or new items you have bought. It is a policy condition to insure for the correct amount – see page 18.

What is not covered

General exclusions

These exclusions apply to the whole policy.

1 Sonic bangs

We will not pay for loss or damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

2 Radioactive contamination

We will not pay for any loss, damage or legal liability directly or indirectly caused by or contributed to by or arising from:

- a ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste from burning nuclear fuel; or
- b the radioactive, toxic, explosive or other dangerous properties of any explosive nuclear machinery or any part of it.

3 War and terrorism exclusion

Despite any other condition in this insurance or any endorsement that may apply, we will not be liable for loss, damage, cost or expense directly or indirectly caused by, resulting from or in connection with any of the following.

- a War, riot, revolution or any similar event.
- b Any government, public or local authority legally taking or destroying your property.
- c Any act of terrorism.

We define an act of terrorism as an act which may include using or threatening force or violence by any person or group, whether acting alone or in connection with any organisation or government committed for political, religious, ideological or other purposes. This includes the intention to influence any government or to put the public or any section of the public in fear.

This exclusion also does not cover liability, loss, damage, costs or expense resulting from any action taken to control or prevent a, b or c above.

If we say that we will not cover a claim for these reasons, you must prove otherwise if you want us to pay a claim.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

4 Excess

We will not pay the first €250 of any claim (unless otherwise shown in the policy or schedule).

Claims for water escaping from or frost damage to a fixed water drainage or heating installation, washing machine, dish washer, fridge freezer, waterbed or fish tank are subject to a €500 excess. (Please note the €500 Escape of water excess will not apply to the Value policy as this cover is not operative).

Claims for subsidence, landslip or ground heave are subject to an excess of €5,000.

5 Date change exclusion

We will not pay for any loss of or damage to any computer equipment, software or microchip-controlled electrical appliance you own or control, or for any data lost from any computer, software, database or similar equipment, caused by or arising from that equipment failing to treat any calendar date as the correct date.

6 Risks to computers

This policy does not apply to liability, loss, damage, costs or expense directly or indirectly caused by or in connection with:

- a the loss or alteration of or damage to; or
- b a reduction in how a system works of
a computer system, hardware programme, software, data-information store, microchip, integrated circuit or similar device in computer equipment or non-computer equipment that results from deliberately or negligently transferring (electronic or otherwise) a computer programme that contains any damaging code including computer viruses, worms, logic bombs, or trojan horses.

7 Wear and Tear

Your policy is intended to cover you against unforeseen events like fire or theft. It does not cover wear and tear or damage that occurs gradually over time.

2 Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect your property from loss or damage. You must keep all your property in good condition.

3 Fraud

You must not act in a fraudulent way. If you or anyone acting for you:

- makes a statement to us or anyone acting on our behalf, knowing the statement to be false;

Here to help

Conditions which apply to the whole policy continued

- sends us or anyone acting on our behalf a document, knowing the document to be forged or false;
- makes a claim under the policy, knowing the claim to be false or fraudulent in any way; or
- makes a claim for any loss or damage you caused deliberately or with your knowledge.

The action we can take on top of our other rights are listed below.

- We will not pay a claim.
- We will not pay any other claim which has been or will be made under the policy.
- We may declare the policy void. (In other words, it will end without you receiving any benefit.)
- We will be entitled to recover from you the amount of any claim we have already paid under the policy.
- We will not return your premium.
- We may let the appropriate law enforcement authority know about the circumstances.

It's up to you to prove any loss, so we recommend that you keep receipts, valuations, photographs, instruction booklets and guarantee cards to help with your claim.

a If you cancel the policy

You may cancel the policy at any time by giving us written notice. We will refund a percentage of your premium to cover the period of the policy left to run, provided you have made no claim.

b Cooling off period

This policy will only apply if:

- a you keep to the terms, conditions and endorsements and the statements and answers in the proposal form are true; and

If you are paying, or have agreed to pay the premium for this policy by instalments, you must keep your payments up to date. If you miss any payments, we will withdraw your option to pay by instalments or we will cancel the policy (or both). If you have a claim during the current period of insurance, you must pay the full yearly premium. We will deduct any premium owed to us from any claim we pay.

10 Stamp duty

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 113 of the Finance Act, 1990.

11 The value of your buildings

You must, at all times, keep the sum insured at a level which represents the full value of the insured building. This means the estimated cost of rebuilding if the building was totally destroyed.

This is not necessarily the market value of the building.

12 Premium adjustments

If a change to your policy results in an extra premium of less than €15, we will not charge you.

If a change to your policy results in a refund of premium of less than €15, we will not refund the amount.

13 Precious stones

The settings in the stones of any item of jewellery worth over €10,000 must be inspected once every three years by a competent jeweller and any defect remedied immediately.

We will also pay any amounts due under extensions to cover 16, 17, 18, 19 and 20**.

The policy excess will not be deducted for claims made under extensions to cover 15, 17 and 19.

Emergency Home Assistance

Home Emergency Insurance Policy

Thank you for choosing this policy.

Your policy provides assistance in the event of certain home emergencies, which impact the safety and security of your home, potentially rendering it uninhabitable.

This policy is suitable for someone who wishes to cover an emergency caused by specified events when they do not already have relevant insurance cover.

It is not designed to replace your buildings and contents insurance and will not provide assistance for normal day to day home maintenance.

This policy provides assistance in the event of the emergencies outlined in the table below.

Please call us as soon as you are aware of the emergency.

Status disclosure

This policy is administered by AXA Assistance (Ireland Limited), Kilmartin, N6 Retail Park, Athlone, Co Westmeath

Important information

This document sets out the terms and conditions of your cover and it is important that you read it carefully.

If we make any changes to your policy cover limit, these will be confirmed to you separately in writing.

Each section of this document explains what is and is not covered. There are also general exclusions that apply to all sections of the cover, and there are general conditions that you must follow for the policy to cover your claim.

How to make a claim.

Please call us as soon as you are aware of the emergency.

Are you having one of the following emergencies?

- Plumbing and Drainage.
- Failure of internal electrics.
- Security (i.e. glazing & locks).
- Pests.
- Gas supply pipe.
- Boiler & Heating
- Roofing

If so, to obtain assistance, contact the 24 hour Emergency Helpline on:
1890 253 347

Please have as much information as possible to hand including your policy number, to enable us to assist you as quickly as possible.

What will happen next:

- If you suffer an emergency at your home, you should tell us on the emergency telephone number. We will then:

- Advise you how to protect yourself and your home immediately;
- Validate your policy and arrange for one of our authorised contractors to get in touch with you to make an appointment or to settle your claim on a reimbursement basis;
- We, along with our authorised contractors under our delegated authority, will then manage your claim from that point onwards and keep you updated throughout your claim journey;
- We will organise and pay up to €250 (€500 for roofing) per claim including VAT, call out, labour, parts and materials to carry out an emergency repair;
- In the event of your home becoming uninhabitable and remaining so because of a covered event, we will contribute up to €100 inc VAT in total towards the cost of your (including your pets) accommodation including transport, on a reimbursement basis;
- We would always recommend that you arrange for a permanent repair to be completed by a qualified tradesperson as soon as possible, once we have carried out an emergency repair and contained the Emergency for you, as this may only provide a temporary solution to the problem.

Claims under this policy can only be made by

You, your immediate family, lodger or anyone calling on your behalf

If the emergency repair costs more than €250 (€500 for roofing) including VAT

We will: require you to contribute the difference or subject to our prior agreement and on receipt of your engineer's fully itemised and paid invoice, we would pay you up to €250/€500 inc. VAT as a contribution to a repair which you will arrange yourself, taking account of costs already reasonably incurred by our authorised contractor, for the initial visit.

This will be in full and final settlement of your claim.

When we make a repair we will leave your home safe and habitable but we will not be responsible for reinstating it to its original condition, although you may find that this is covered under your buildings insurance.

Section J: Emergency Home Assistance continued

In some circumstances we may find it difficult to deploy an authorised contractor to attend your home or deal with your emergency within a reasonable timescale. Examples of such circumstances are:

- Excessive demand
- Bad weather
- Industrial action
- Parts availability
- Availability of a specialist.

In these circumstances, you may, with our prior agreement, arrange for your own contractor to resolve your emergency and we will refund the cost of your contractor up to €250

Please provide a fully itemised invoice or receipt from your own contractor to support your claim for reimbursement.

We will only reimburse the cost of the emergency repair applicable under the policy.

Other insurance

If you make a claim for any liability, loss or damage that is also covered by any other insurance policy, we will only pay our share of the claim.

Getting our claims costs back

If we think someone else is at fault for a claim that we pay, we may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that we make.

Anyone making a claim under this policy must give us any help and information that we need.

Parts availability

Availability of parts is an important factor in providing emergency repairs.

If our engineer does not carry the spare parts needed on the day of your appointment, we will do all we reasonably can to find and install parts from our approved suppliers. We may use new parts or parts that have been

reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like for like basis but will provide an alternative suitable for containing the emergency. However, there may be times when replacement parts are delayed because of circumstances beyond our control.

In these cases we will not be able to avoid delays in repair; we will keep you informed throughout your claim.

There may also be occasions where parts are no longer available. In these situations we will ensure your home is safe and if required, we will arrange for you to receive a quotation for a suitable replacement item at your cost.
