Please read your policy carefully and keep it in a safe place.

Your policy includes:

- the policy wording in this booklet

1. Requirement to have a telematics device

The term “telematics device” refers to the device that is supplied and fitted to your car. This collects and transmits data about each journey your car makes.

It is a condition of this policy that a telematics device must be installed in your car and that it remains in use at all times. Failure to do so, may lead to the policy being cancelled in line with the section ‘General Conditions’, sub-section ‘1. Cancelling the Policy’.

2. Telematics device types and timeframe to have them installed

A telematics device will be provided shortly after the policy purchase date. Depending on the configuration of your car this may be a self-install or a professionally installed telematics device. The telematics device must be fitted and be fully operational within 14 days of the policy start date. Failure to do so may lead to the policy being cancelled in line with section ‘General Conditions’, sub-section ‘1. Cancelling the Policy’.

3. Operation of the telematics device

The telematics device will measure and transmit various aspects of how your car is driven. These aspects will include (but are not limited to) location, speed, braking frequency and force, cornering, acceleration and journey details.

The telematics device will continue to record how your car is driven regardless of who is driving and such driving will contribute to your driving score. It is your responsibility to notify any person that drives your car that a telematics device has been installed and that the journey will be monitored and that you, your broker and your insurer will have visibility of that data.

If during the monitoring of your driving behaviour we suspect that there is any defect in the operation of your telematics device we will contact you to arrange for the defect to be rectified. You must also contact us if you believe for any reason that the telematics device may be defective in some way. We will contact you to arrange for the defect to be investigated and rectified. If you do not respond to our requests we may cancel the policy as per section ‘General Conditions’, sub-section ‘1. Cancelling the Policy’.

The telematics device has attack safeguards and tamper controls and it is a condition of this policy that you do not interfere with the telematics device and that you will not permit any interference with the telematics device. If we detect any interference with

the telematics device or the signal emitted from same, we may cancel the policy as per section 'General Conditions', sub-section '1. Cancelling the Policy'.

4. Change of Car

If you change your car, a telematics device will need to be installed in your new car.

Where you have a self-installed telematics device this must be removed from your old car and be fitted into your new car immediately after insuring this new car with us.

Where you require a professionally installed telematics device, this must be fitted and be fully operational within 14 days of your new car being insured with us.

Failure to comply with the above may lead to the policy being cancelled as per section 'General Conditions', sub-section '1. Cancelling the Policy'.

5. Driving Score

The Driving Score is a score assigned by us to each journey undertaken in your car based on an analysis of the data collected by the telematics device.

Your Driving Score is used by us as follows:

- To contribute towards calculation of insurance premiums
- To help us determine the precise circumstance of any claim under your policy
- To identify unacceptable driving behaviour

6. Unacceptable Driving Behaviour

In addition to our right to cancel your policy as outlined in section 'General Conditions', sub-section '1. Cancelling the Policy', we may also cancel your policy if the information collected by the telematics device suggests there is unacceptable driving behaviour, which includes, but is not limited to, information indicating that your car is being driven above the legal speed limit.

General conditions

You must keep to the following conditions to have the full protection of your policy. If you do not keep to them, we may cancel the policy or refuse to deal with your claim or reduce the amount of any claim we pay.

1 Cancelling the policy

To cancel the policy, return your certificate of insurance and insurance disc with a written request to your Broker.

When we receive your disc and certificate, if you have not claimed or there is no incident that is likely to result in a claim during the current period of insurance, we will work out a refund on the following basis:

- If you have had continuous cover for more than 12 months, we will work out the percentage of premium for the period you have been insured and refund any balance after an administration fee has been taken away.
- If you cancel within the first 14 days, within the first year of insurance, we will work out the premium for the period we have been insuring you on a pro rata basis plus an administration charge. We will refund the balance providing no claims have been made on your policy. You will be charged a pro rata premium or €35 whichever is more for the period you were on risk.
- If you cancel after the first 14 days after receiving the policy documents and within the first year of insurance, we will refund your premium based on the figures in the table below after an administration fee has been taken away.

Period which your policy is in force	Percentage of premium returned
0 to 14 days	100%
1 months	75%
2 months	70%
3 months	60%
4 months	50%
5 months	40%
6 months	30%
7 months	20%
8 months	10%
9 months	0%
Over 9 months	0%

We will not refund your premium for optional extras, such as injury to driver.

We will not refund any premium which is less than €15 after we charge the administration fee.

If you have made a claim or there has been any incident that is likely to result in a claim during the current period of insurance, we will not refund your premium.

We will not refund your premium if you are paying it under an instalment scheme (unless you are paying back any overpayment).

We can cancel this policy immediately if you do not pay the premium or you miss a payment under an instalment scheme.

You must send us the certificate of insurance and the insurance disc.

We, or our authorised agent, may cancel this policy by giving you 10 days' notice in writing. We will send any notice to your last known address and we must tell the Department of Transport, Tourism & Sport. You must then send us the insurance disc and certificate of insurance.

It is important you know that we may have to settle claims without your permission.

2 Paying by instalments

If you are paying, or have agreed to pay, the premium for this policy by direct debit from a bank or building-society account, you must keep your payments up to date. If you do not pay, we will withdraw the option to pay by instalments or cancel the policy (or both).

3 Handling claims against you

We may take over and deal with the defence or settlement of any claim in the name of the insured driver.

4 Changes to your policy

You must tell your Broker immediately about any:

- change of car or any other vehicle you buy or take ownership of
- convictions, prosecutions or any penalty points which apply to you or any other driver of your car
- change in the driver's health, address or job
- modifications or alterations to your vehicle including, but not limited to, air induction kits and filters, lower suspension, change to the exhaust, engine maintenance computers or adding of body parts

- change in use or in the main user; or
- other important change

If you are not sure whether or not certain facts are important, please ask us.

The premium we quote you for any change to your policy will include an administration charge.

If a change to your policy, including the administration charge, results in an extra premium of less than €15, we will not charge you for it.

If a change to your policy, including the administration charge, results in a refund of less than €15, we will not refund it to you.

5 If you choose not to or cannot drive your car

If your car is laid up and out of use, you can suspend your cover by returning your certificate and disc of motor insurance to your Broker.

We will suspend all cover when we receive the certificate and disc of insurance, except for loss of damage caused by fire and theft, or attempted theft, if we cover fire and theft under the policy.

You are entitled to a refund of 75% of the premium for the period we suspend the policy (80% if cover is third party only) as long as:

- your car is not laid up as a result of a claim
- the policy is suspended for more than 28 days
- the policy is not issued or renewed for less than 12 months and
- you do not make a claim during the period of suspension

You must pay all premiums due during a period of suspension by the due date including any instalment payments.

6 Claims procedure

If there is an accident, you must immediately do whatever you can to protect the car and its accessories. You or your legal representative must give us full details by phoning the claims helpline 01 892 7979 (00353 1 8927979 from abroad) as soon as possible, after any event which could lead to a claim under this policy. There may be circumstances where we need other details in writing. You must also immediately send us any letters and documents you receive in connection with the event before you reply to them.

If you know of any future prosecution, coroner's inquest or fatal accident inquiry about any event, you must tell us immediately in writing.

You, and anyone insured by this policy, must not admit anything, or make any offer or promise about a claim, unless you have our written permission.

If your car is stolen, you must tell us as soon as possible by phoning our claims helpline on (01 892 7979). You must also tell the Gardai.

7 Looking after your car

You must do all you can to prevent injury to other people and protect your car and keep it in a roadworthy condition. If you do not do this, your right to claim under your policy may be affected. You must let us examine your car at any reasonable time if we ask to do this.

You should ensure that:

- your car is locked and security devices activated when your car is unattended
- all windows and sunroofs are fully closed when your car is unattended
- tyres on your car are within the legal requirements
- you put personal belongings in the boot when your car is unattended

We require you to allow us free access at all reasonable times to examine Your Car. You must have a valid National Car Test (NCT) Certificate or Department of Transport, Tourism & Sport. Certificate where applicable.

8 Other insurance

If you make a claim for any liability, loss or damage that is also covered by any other insurance policy, we will only pay our share of the claim.

9 Getting our claims costs back

If we think someone else is at fault for a claim that we pay, we may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that we make. Anyone making a claim under this policy must give us any help and information that we need. If, under the law of any country in which you are covered by this policy, we have to pay a claim which we would not normally have paid, we may get that payment back from you or from the person responsible.

Insurance fraud is a crime and penalises innocent drivers.

10 Misrepresentation and Deception

Definitions:

- Misrepresentation is when someone makes a false statement to another person to encourage that person to enter into a contract.
- Deception is when someone gains something, by making someone else lose something.

You must not act in a fraudulent way.

We will take the action shown below if you or anyone acting for you:

- fails to reveal or hides a fact that is likely to influence whether or not we accept your proposal, your renewal, or any adjustment to the policy
- fails to reveal or hides a fact that is likely to influence the cover we provide
- makes a statement to us or anyone acting on our behalf, knowing the statement is not true
- sends us or anyone acting on our behalf a document, knowing the document is false;
- makes a claim under the policy, knowing the claim is false or misleading or
- makes a claim for any loss or damage you caused deliberately or knew about

This action applies as well as our other rights.

- We will not pay a claim
- We will not pay any other claim which has been or will be made under the policy
- We may declare the policy void (in other words, we can treat it as if it has never existed)
- We will be entitled to recover from you the amount of any claim we have already paid under the policy
- We will not return your premium
- We may let the appropriate law enforcement know about the circumstances

If you commit a fraudulent act on any other policy then we may:

- cancel that policy or declare it void from inception
- cancel that policy immediately and return any premium owed to you
- not pay any claim that has been or will be made under that policy
- be entitled to recover from you the total amount of any claim already paid under that policy including any recovery costs
- Inform the Garda Síochána of the circumstances

11 Arbitration

Any disagreement that we have with you and that we cannot settle between us will be referred to the Financial Services Ombudsman's Bureau (see on page 4 for contact details).

If the Financial Services Ombudsman's Bureau will not deal with the disagreement, you have to refer it to arbitration. If you wait more than a year to do this, you will be considered to have abandoned your claim and you cannot take it up again.

12 Payment

Any money paid under this policy will be paid in euro in Ireland.

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 19 of the Finance Act, 1950, as amended.

13 Keep to the policy conditions

We will only provide the insurance described in this policy if:

- the information you gave on your proposal form and declaration is correct and complete and
- you or anyone claiming protection has kept to all its conditions.

Section 1

Loss or damage to your car

This part only applies if you have comprehensive cover, or third party fire and theft cover and the damage is caused by fire or theft.

What is covered?

We will pay for:

- loss of or damage to your car, and its accessories while in your car up to the market value of your car
- the cost of protecting and removing your car to the nearest competent repairer and
- if your car is repaired, the reasonable cost of delivering your car back to your address in Ireland.

This will involve:

- repairing your car in an AXA garage or one of your choice, or
- replacing what is lost or damaged, if the cost of repairing it would be more than it costs to replace, or
- paying the cost of the loss or damage to you or the legal owner if we are told that your car belongs to someone else.

We will choose which option is appropriate.

If we choose to repair your car but you choose not to use an AXA garage:

- We will only provide you with a temporary replacement car for the duration of repairs agreed by our engineer and
- We will only pay what our engineer thinks it would have cost to repair your car in an AXA garage, if the cost of repairs in the garage you choose are higher.

If your car is stolen and is not found or, after it is found is not worth repairing, we will pay you the market value of your car, including accessories and spare parts at the time they are lost, stolen or damaged. We will also cover accessories and spare parts of your car, which are in your private garage at the time of the loss or damage.

We may choose to repair your car with recycled parts, where appropriate.

We may use parts that have not been made by the car's manufacturer, but they will be of a similar standard.

If any lost or damaged parts are no longer available, we will pay an amount equal to the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

If your car is being repaired by one of AXA's garages after an accident, we will give you a replacement car for up to seven days or for as long as you need it (if less than seven days). This car is usually a class-A or economy-class one litre car.

Salvage (if your car is written off)

We will settle your claim by replacing your car or by paying the market value of your car before it was damaged. As part of settling your claim, your car will become our property and you must send us the vehicle licensing document.

Replacing your car with a new one

Please check your schedule as you may not have this cover.

We will replace your car with a new one of the same make, model and specification if the car is:

- stolen and not recovered within 28 days, or
- damaged so that repairs will cost more than 60% of the manufacturer's retail list (including taxes and the cost of accessories) at the time of the loss or damage.

We will only do this if:

- the loss or damage happens before your car is one year old
- you have owned the car or hired it under a hire-purchase agreement since it was first registered as new and
- you, and anyone else we know who has an interest in your car, agree.

If a replacement car of the same make, model and specification is not available, the most we will pay is:

- the market value of your car and its fitted accessories and spare parts at the time of the loss or damage, or
- the manufacturer's retail price of your car when you bought it less 10%; whichever is higher.

Our uninsured driver promise

If you make a claim for an accident that is not your fault and the driver of the car that hits you is not insured, you will not lose your no claims discount.

Your excess will have to be paid.

Conditions:

We will need:

- the vehicle registration number and the make and model of the car, and
- the driver's details, if possible.

It also helps us to confirm who is at fault if you can get the names and addresses of any independent witnesses, if available.

Also, if/when your renewal is due investigations are still ongoing, you may lose your no claims discount temporarily.

However, once we confirm that the accident was the fault of the uninsured driver, we will restore your no claims discount and refund any extra premium you have paid.

This promise is for comprehensive policyholders only.

We don't want any misunderstanding, so the things we don't cover are clearly shown in dark-blue against a light-blue background.

An excess is the part of the claim you have to pay.

What is not covered under this section of the policy.

Excess

You will not have to pay an excess if the loss or damage is caused by fire, lightning, explosion, theft or attempted theft. You will have to pay the excess shown on your policy schedule for any other type of claim covered under this section.

We will not pay an excess even if you were not at fault. Nor will we seek on your behalf to recover an excess from another person.

Please refer to your schedule to see what excess applies to your policy. An additional excess of €100 applies for all named drivers under 25.

You can reduce this excess if you use an AXA garage.

You are also not covered for the following:

- Loss of use or any other resulting loss
- Reduction in your car's value because it has been repaired
- Wear and tear
- Mechanical or electrical failure, or electronic computer failure, breakdowns or breakages
- The cost of hiring another car
- The cost of any repair or replacement which improves your car beyond the condition it was in before the loss or damage took place
- Damage to tyres from braking, punctures, cuts or bursts unless these are caused in an accident
- Loss, destruction or damage caused directly by pressure waves from aircraft and other flying objects travelling at or above the speed of sound
- Loss or damage to your car's navigation system or other computer or electronically controlled equipment caused by it failing to recognise any date as the true calendar date

- Loss or damage from using your car in a rally, competition, trial or on any race track, circuit or other prepared course
- The cost of importing parts or accessories for your car from outside the European Union
- The extra cost of parts or accessories above the price of similar parts and accessories received from the manufacturer's European representatives
- We will not pay more than 5% of the value of your car for any permanently fitted car radio, two-way radio, car phone, audio or similar equipment
- Loss or damage to your car when it is being driven by a driver for whom you have chosen to limit cover to 'liability to others' only
- The VAT (value added tax) on any repair or replacement if you are registered for VAT
- Any taxes that you may be exempt from or entitled to claim back such as Vehicle Registration Tax (VRT) or VAT
- Loss of or damage to Your Vehicle or its contents arising from theft or attempted theft if the vehicle has not been locked or if the windows or sunroof have been left open or if the keys have not been removed from the vehicle
- Loss or damage caused by theft or attempted theft if the keys (or keyless entry system) are left unsecured or left in or on an unattended car
- Loss or damage caused by theft or attempted theft if the car was taken by a member of your family or household or taken by an employee or ex employee of the owner of the car unless you can provide us with written confirmation of notifying Gardai of the theft
- Loss or damage as a result of incorrectly fueling your car or from the use of substandard or contaminated fuel, lubricant or parts
- No cover for any car that has modifications unless they were disclosed
- No cover for any driver than has been disqualified from driving, or has failed to disclose penalty points or motoring convictions

Section 2

Broken glass

Please check your schedule as you may not have this cover.

Your schedule will show if you have this cover. A claim under this section will not affect your no-claims discount. We will cover the cost of replacing or repairing broken or damaged windscreens, windows or glass in the sunroof of your car, and scratches to the bodywork caused by the glass breaking.

Limit of cover

If you use our approved repairer, cover will be unlimited. If you use your own repairer, cover will be limited to €250 per claim and the most we will pay in any one period of insurance is €500.

We will only pay you the market value of the car or the value of the broken glass, whichever is lower.

What is not covered under this section of the policy.

- The cost of any repair or replacement which improves your car beyond the condition it was in before the loss or damage took place
- Loss, destruction or damage caused directly by pressure waves from aircraft and other flying objects travelling at or above the speed of sound
- Loss or damage from using your car in a rally, competition or trial
- The cost of importing parts or accessories for your car from outside the European Union
- The extra cost of parts or accessories above the price of similar parts and accessories received from the manufacturer's European representatives

Section 3

Towing

3a Attached Trailer

This policy applies when your car is towing a caravan, trailer or a broken-down vehicle if this is allowed by law and you hold the correct driving licence.

3b Detached Trailer

Subject to the terms, limitations, exceptions and conditions of the Policy and Certificate of Insurance this policy covers the Road Traffic Act liability of any person insured by this policy in respect of any detached single axle trailer up to half tonne unladen weight. But excluding caravans, mobile homes, trailer tents, boat trailers, and any trailer which incorporates machinery or other equipment. In all other cases, cover is provided only when trailers are specified and agreed by us and subject to the appropriate premium.

We will not pay claims:

- if you are being paid to tow the caravan or vehicle, or
- for loss of or damage to the towed vehicle or to property being carried in the towed vehicle, or for injury to any person being carried in the towed vehicle

Section 4

Liability to others

This section of the policy applies to damage or injury happening in Europe.

1a Cover for you

We will pay all amounts you legally have to pay as a result of negligently using your car and any trailer or caravan being towed by it, if you cause the accidental death of, or bodily injury to, any person.

We will also pay up to €30 million if you legally have to pay damages, costs and expenses as a result of negligently using your car and any trailer or caravan being towed by it if you cause accidental damage to property belonging to other people.

1b Driving other cars

This cover will also apply if you are driving any other car which your certificate of insurance covers you to drive. If you are covered to drive other cars, it will be shown in section 5(b) of your certificate of insurance.

This cover only applies if:

- you do not own the car or you have not hired the car under a hire-purchase agreement
- it is shown that this cover applies under section 5(b) of your certificate of insurance
- you have the owner's permission to drive the car and
- the vehicle is being used within the 'limits for use' shown in your current certificate of motor insurance.

This cover applies when driving in Ireland or the UK. However, if you are driving in the UK in a car you have borrowed that is not registered in Ireland, please check before you travel that the local authorities will recognise your 'driving other cars' extension as valid insurance.

2a Cover provided for other people

If you ask us to, we will give the following people the same 'liability to others' cover under this section we give you under 1a.

- Anyone you allow to drive your car who is covered to drive it under the certificate of insurance
- Any person using (but not driving) your car with your permission for social, domestic and pleasure purposes
- Any person travelling in or getting into or out of your car
- Your employer or business partner, as long as your car is not owned by or hired to either your employer or business partner and your car is being used for a purpose that is allowed under your certificate of insurance and your employer is not covered under another policy

2b Your legally-appointed representatives

After the death of anyone insured under this policy, we will protect that person's estate against any loss they would have had if we insured that liability under this policy.

3a Legal fees and expenses

If we give you our written permission, we will pay for solicitor's fees to represent anyone insured under this policy at any coroner's inquest, fatal inquiry or to defend anyone insured under this policy in a district court for any accident which might give rise to a claim under this section of this policy.

3b Proceedings for manslaughter or causing death by reckless driving

We will pay fees for legal services to defend anyone insured under this policy if legal proceedings are taken against that person for manslaughter or causing death by reckless driving. The following conditions will apply to this cover.

- You must ask us to provide the cover
- The death or deaths giving rise to the proceedings must have been caused by an accident covered by this policy
- The accident which caused the death or deaths must have happened in Ireland or the UK
- The most we will pay is €1,270.

Section 5

Foreign use

Transit by sea or tunnel

We will provide Insurance as defined in this Policy, the Schedule and Certificate of Insurance whilst Your Car is in transit by sea or tunnel between the Republic of Ireland, Great Britain, Northern Ireland, the Isle of Man, the Channel Islands and any European Community or European Union country.

Geographical limits

The cover provided by the Insurance is automatically extended in respect of the use of Your Car by any authorised driver to give the minimum Insurance Cover required to comply with the laws relating to compulsory insurance of Motor Vehicles in:

- (a) any country which is a member of the European Union and
- (b) any other country approved by the EU Commission whose insurance requirements follow EU directives currently in force

Extended cover

In addition to the minimum cover this Insurance provides the cover shown in the schedule for up to 30 days in any one period of insurance in any country in the geographical limits shown above.

What is not covered under this section

- You are not covered for any legal action taken against you outside European Economic Area, unless it is a result of using your car in a country for which we have agreed to extend this insurance cover.

If you are unfortunate to have an accident, please contact us at 00353 1 892 7979.

Section 6

Our right of recovery

If by law we have to make a payment that would not be covered under this policy, you will have to refund the amount to us.

Section 7

No-claims discount

(including accident forgiveness)

If you do not claim during the current period of insurance, we will give you a discount from your premium according to the table shown below. We will not discount any premiums to insure your car against fire or theft, and premiums for any optional extra cover. We will give you this discount for each claim-free year up to the maximum entitlement.

Number of years claim-free driving	0	1	2	3	4	5
Percentage discount allowed	0%	10%	20%	30%	40%	50%

If you have to make a claim, we will reduce the discount that last applied to your premium at the next renewal according to the following table, unless you have chosen to delete this option. Your schedule will show if this option has been deleted.

Percentage discount allowed at the start of the policy or when it was last renewed	Percentage allowed at next renewal for one claim happening in the previous insurance year
0%	0%
10%	0%
20%	0%
30%	0%
40%	10%
50%	20%

We will reduce your no-claims discount to nothing if you make a claim and you or any other person covered to drive your car is convicted of dangerous driving or charged with drink-driving or a drug offence in connection with the same incident.

If you need to make a claim, you could lose some or all of your no-claims discount.

If you make two or more claims in the previous insurance year, we will reduce your no-claim discount to nothing.

If we make payments that we have not claimed back from another person, the claim will count against your no-claims discount even if you were not at fault. We may decide not to claim back from another person, or may claim without success.

For no-claims discount purposes a period of insurance is one year between the beginning of the policy and the date you renew it, or between renewal dates. You cannot transfer your no-claims discount to anyone else.

Your no-claims discount will not be affected by:

- payments under section 1 for fire and theft claims
- payments made under section 2 Glass breakage or section 9 Extra benefits
- payments for emergency treatment the law says we must pay and
- payments (together with associated costs and expenses) which we later get back in full.

Even though the no-claims discount we give you will not be affected, any statement of no-claim discount we issue will be drawn up as if you did not have any of this protection and, any claims you have will appear on this statement. Other insurers may take those claims into account when deciding to insure you or in setting your premium.

We will ask you to renew this policy before the renewal date. If you make a claim just before you next renew your policy, this may not be reflected in our offer for you to renew cover. If this happens, you can ask us to change our offer of renewal, or wait until the following renewal date for that claim to be taken into account.

Section 8

Protected no-claims discount

This is an optional extra. If you have bought it, your no claims discount is safe if you make one claim.

You can buy this cover for an additional charge.

Your schedule will show if you have chosen this cover.

You can pay an extra premium to protect your no-claims discount. This cover allows you to make one claim without reducing your no-claim discount.

We will treat a second claim as one claim and we will reduce your no-claim discount in line with the scale shown earlier. Once you make a claim, we will remove the protection for later claims. If you make a second claim, that claim will affect your no-claims discount.

Although you can protect your no-claim discount, your premium may increase if:

- you make unreasonably large or excessive claims
- you receive motoring convictions, or
- we decide it is necessary for any other reason.

Section 9

Extra benefits

Claims under this section will not affect your no-claims discount.

Your schedule will show if you have this cover.

A claim under this section will not affect your no-claims discount.

- any loss where the keys are recovered before the locks and alarms are replaced, or

Part E - Fire-brigade charges

We will pay charges from a local authority (in line with the Fire Services Act 1981) for putting out a fire in your car if the fire gives rise to a valid claim under the policy, or for removing the driver or passengers from your car using cutting equipment.

The most we will pay for any one claim is €1,270 on top of any amount we will pay you under sections 1 or 4 of the policy.

Part F – Legal expenses**Section 1**

You are covered for reasonable solicitor's fees to go ahead with legal proceedings for compensation arising from a road-traffic accident while you are in your car, against those whose negligence has caused your injury or death, or caused you to lose insurance policy excess or other out-of-pocket expenses you are not insured for.

Section 2

You are covered for reasonable solicitor's fees to defend legal proceedings against you in a criminal court that are a result of a motoring offence alleged against you while you were driving your car.

Limits

- The most we will pay is €100,000, or €25,000 for claims under section 2.

Significant exclusions or limits

This insurance only covers solicitor's fees from our panel solicitors. You are not covered for any solicitor's fees if you appoint any other solicitor to act for you.

It is an important condition of this insurance that there must be a reasonable chance of success in the legal action, before we will accept a claim for legal costs.

There is no cover for the following.

- Solicitor's fees that we have not given our permission for, or that are above the value of your claim
- Fines or penalties
- Solicitor's fees from events that happened or you knew about, before the period of insurance
- Prosecutions relating to parking offences, allegations of driving under the influence of drink or drugs, or violence or intentional dishonesty, including driving without a valid driving licence or other licence or certificate as needed by law

- Judicial reviews
- Claims brought using the Personal Injury Assessment Board (PIAB), other than those in relating to the PIAB application fee
- Claims where the value of your claim is not more than €350

You and the solicitor must do the following.

- Keep us regularly updated on the progress of the case, and tell us about any offer of settlement the other person makes
